

Are you participating in research or a class project dealing with water pollution control, water quality, hazardous waste, or other environmental engineering topics? If so, you are invited to submit an abstract!

# NEWEA STUDENT POSTER COMPETITION

*Undergraduate and  
graduate competitions*

NEWEA Annual Conference | January 23, 2018 | Boston Marriott Copley

Cash prize will be awarded to best graduate poster and to the best undergraduate poster! To participate, you must be enrolled in a New England university and register for NEWEA's Annual Conference. Registration is free for students. If interested, please contact Annalisa at [aonnis@coe.neu.edu](mailto:aonnis@coe.neu.edu) Or submit an abstract of your poster by December 20, 2017.

Participants will be invited to the Student Activity Committee luncheon and evening networking reception.
