

Are you participating in research or a class project dealing with water pollution control, water quality, hazardous waste, or other environmental engineering topics? If so, you are invited to submit an abstract!

NEWEA STUDENT POSTER COMPETITION

*Undergraduate and
Graduate Competitions*

NEWEA Annual Conference | January 25, 2022 | Boston Marriott Copley

Cash prize will be awarded to best graduate poster and to the best undergraduate poster! To participate, you must be enrolled in a New England university and register for NEWEA's Annual Conference. Registration is free for students. If interested, please contact Nick at nbtooker@umass.edu or submit an abstract of your poster by December 28, 2021 online: <http://bit.ly/2AGrAMv> Please note that all participants must follow NEWEA's COVID Policy and must be fully vaccinated and wear a mask. Additionally, NEWEA's Innovation Council will be hosting the third annual Student Shark Tank. Three students will be selected to present on their water innovation research. Students who submit to the Poster Competition will also be considered for the Student Shark Tank. All Participants will be invited to the Student Activity Committee luncheon and afternoon networking reception.
